## Walking through the

« Vallée de la Blanche »

« Les Ballades du patrimoine »

Visiting the old town .

**Start :** Tourism office(1)

**Finish :** Main street of Seyne

**Walking time :** about one hour

All along your walk through the village, you would see, at attic of some houses, big opening, sometimes closed by wood doors. These are the hayloft.

The traditional settlement was composed of three parts:

- On the ground was the cowshed
- The family lived at the first floor
- and at the last floor, the fayloft.

It was a natural way of heating and insulation
